

QUALITY POLICY STATEMENT

Quantum Controls Limited was established in 1989 and is now one of the UK's leading drives and motor specialists that offer an extensive range of related products, systems and services.

Our products are available for sale online, hire or lease. Quantum Controls Limited expertise has been recognised by a number of leading electrical and automation engineering companies as UK partners for its motors, drives and associated products and services.

We also manufacture electrical control panels used across a wide range of industries. We are dedicated to providing our customers with cost effective, high quality services and delivering complete satisfaction by exceeding customer expectations.

In order to achieve this, we are committed to a continuous improvement culture throughout the organisation based on stated company objectives which forms part of our Integrated Management System (IMS) which meets the requirements of ISO 9001:2015 - ISO 14001:2015 – ISO 45001: 2018 standards. We aim to understand the requirements of both our customers and our colleagues, recognising the importance of:

- a) Safety
- b) Quality
- c) Environmental
- d) Training
- e) Customer Relations

We view Quality as an essential company framework to gain competitive advantage, as well as reinforcing and enhancing the company's reputation and image.

Signed (Managing Director)

A handwritten signature in black ink, consisting of several overlapping loops and a long horizontal stroke extending to the right.
