

Job description

Excellent Drives and Motors Sales Engineer /Account Manager Wanted Now (South East UK)!

Are you an excellent Sales Engineer / Account Manager with a proven track record? are you tired of not earning large bonuses, doing the same job, feeling taken for granted? No room for promotion?

We can offer full product and sales training and a new career as a Variable Speed Drive and Motors Sales Engineer...a loyal, customer-focused, hardworking type of person, so good your last employer did not want to let you go...able to work on your own initiative and as part of a team.... A well-organized get-it-done type person?

If so, you should apply for this role. You just might be the next great addition to our existing team.

Quantum Controls are the 'UK's Drives and Motor Supplier of the Year' Winner for the last three years have been the UK's largest Independent Supplier of Variable Speed Drives and support Services since 1994.

Our rapidly growing business is now looking for a new Sales Engineer / Account Manager to cover the Southeast of England.

Our head office is near Newcastle with service centers at Birtley, Leeds, Glasgow, Lothian, and Thurrock.

Excellent basic salary, company vehicle, iPhone, laptop, great holiday package, unlimited earning potential with bonus structure and a new career in a great working environment and the chance to join our growing team.

All applicants will be considered whether you are an excellent engineer looking to move into a career in sales, or a sales engineer with an excellent proven track record in an industry other than Drives and Motors, or a Drives and Motors expert with experience in sales and account management.

We don't expect you to skip into work on a Monday morning, but we do want our staff to enjoy their working environment and have a rewarding daily working experience, we are not offering short term employment we want you to be part of our team for years to come.

Think you might be the person we are looking for? Then get in touch now email us today at hr@quantum-controls.co.uk.

Remember you don't have to be a drives expert, full training will be provided.....don't miss this opportunity it could change your life....

Salary / Unlimited Bonus. We will be offering a competitive benefits package and bonus. A full and Valid Driving License is required as a Company Vehicle will be provided. Basic + Bonus (OTE Circa £50,000+)

Closing date: 28 January 2022 12pm
